ABOUT ME

Aspiring Front-End Developer with a Bachelor of Computer Applications and a background in academic coordination, teaching, administration, and digital content management. Currently developing practical skills in HTML, CSS, Bootstrap, Git, GitHub, and responsive web design.

I enjoy creating visually engaging, responsive websites and turning creative ideas into functional digital experiences. My previous professional experience has strengthened my communication, organization, coordination, documentation, and problem-solving skills.

EXPERIENCE

Academic Coordinator & Teacher 2017–2021 & 2023–2025

Green Valley Matriculation School - Pernambut, Vellore

- Coordinated academic activities and supported teachers across assigned grades.
- Managed student records, attendance, examinations, reports, and school documentation.
- Communicated with parents and staff and handled academic follow-ups.
- Planned and coordinated school events, including Annual Day activities, presentations, and anchoring.
- Prepared digital content, newsletters, Excel reports, and other administrative documentation.
